*Donate more - WITHOUT giving more

Great news! If your annual donation to Dogs Trust works out at €250 or more, we can claim tax back from the government. This extra money means Dogs Trust could fund projects that would previously not have been possible.

Here's how much extra your donation could be worth

Annual Donation Amount	20% tax bracket Total amount with Government top-up	42% tax bracket Total amount with Government top-up
€250	€312.50	€431
€300	€375	€517
€500	€625	€862

We'll take care of everything for you

Benefiting from the government scheme couldn't be easier. Dogs Trust will send everyone who meets the €250 annual threshold a Revenue Form near the end of the financial year. All you will have to do is complete the form and return it to us and we'll manage everything from there.

The Direct Debit Guarantee

- This is a guarantee provided by your own Bank as a member of the Direct Debit Scheme, in which all Banks and Originators of Direct Debits participate
- If you authorise payment by Direct Debit, then:
 - Your Direct Debit Originator will notify you in advance of the amounts to be debited to your account
 - Your Bank will accept and pay such debits, provided that your account has sufficient available funds
- If it is established that an unauthorised Direct Debit was charged to your account, you are guaranteed a prompt refund by your Bank of the amount so charged
- You can cancel the Direct Debit in good time by writing to your Bank
