

Be Dog Smart

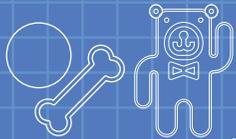

4. Make a sign for your dog's den, you can personalise it for your dog, like 'Sparky's Den, Keep Out'

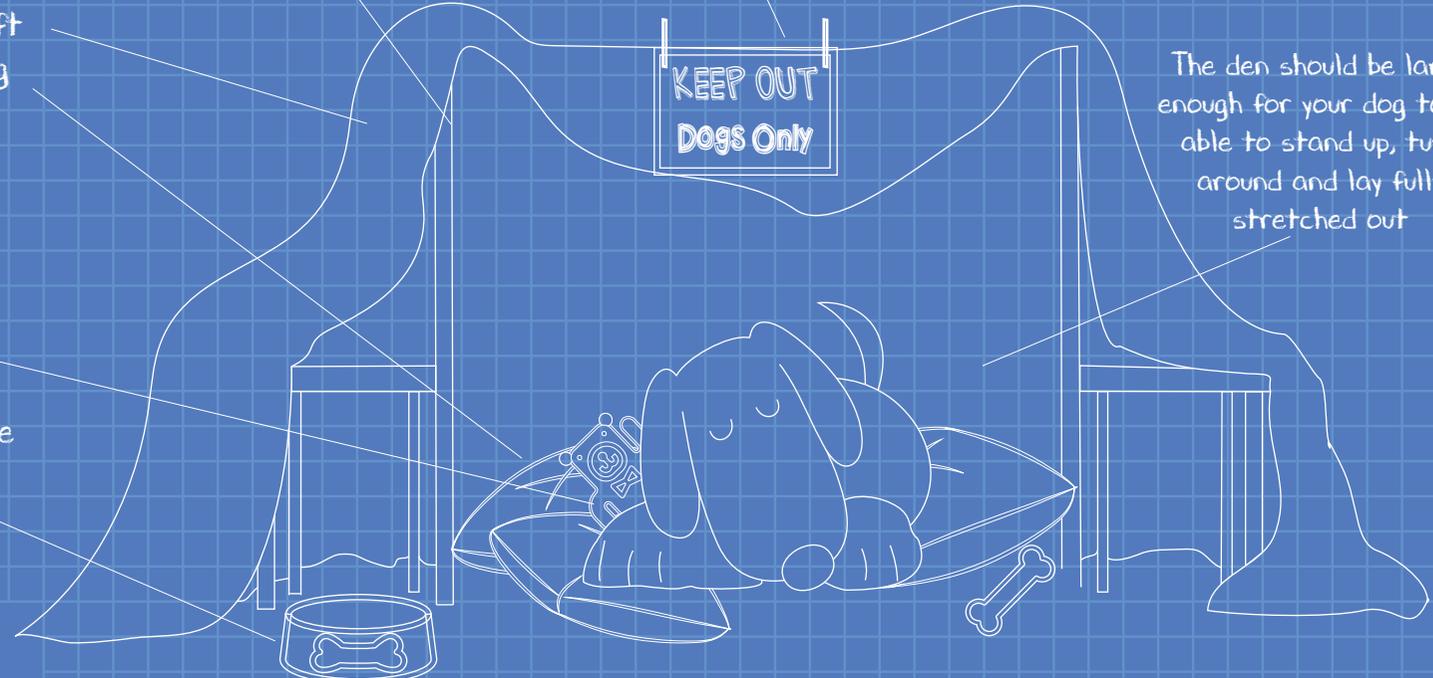

1. Use an unused table or chairs to create the frame of your dog's den

2. Drape blankets over your frame, and use blankets, cushions or anything soft to create a comfy place for your dog to relax

3. Put some of your dog's favourite toys in the den & make sure they have access to clean fresh water

The den should be large enough for your dog to be able to stand up, turn around and lay fully stretched out
